[1](#). (S) PolOff on October 10 conveyed to MFA ref A's updated
Statements of the Case (SOCs) on one Chinese and three
Pakistani individuals that the United States plans to propose
to add to the UN Security Council Resolution 1267 Sanctions
Committee list of individuals and entities associated with
Usama bin Laden, the Taliban or al-Qaida. When sharing the
revised SOC's, PolOff urged that China support or at least not
object to listing the four individuals and that China quickly
provide a response. MFA International Organizations and
Conferences Department UN Division Deputy Director Shen Bo
thanked PolOff for the updated information and said that
China's response will be forthcoming "very soon, perhaps
tomorrow." Shen apologized for the delay so far, saying that
the issue requires the approval of not just MFA but also
several other agencies, and that "a number of Ministers" are
discussing the issue.
